

EMERGING MARKETS CLUB

We are Hiring

June 2022

Board Member – Head of Events

About the EMC

The Emerging Markets Club is a rapidly growing official students club at the University of St Gallen that counts more than 150 members. Our mission is to highlight contemporary challenges and stimulate discussion around the unique opportunities in Emerging Markets. By hosting a broad range of events, we connect our members directly with scholars, entrepreneurs, political leaders and artists.

Role Description

As a board member of our Club, you will be actively managing the planning and the execution of our bi-weekly events and take over full responsibility for them. The events are at the core of the EMC and for next semester we would like to continue offering both high-standing educational panel sessions as well as various in-person social events and potentially a multi-day study trip to directly experience an emerging country from within.

Your Tasks

- Managing your team (currently three team members) and allocating responsibilities
- Communicating and aligning planned events with the other board members
- Lead brainstorming sessions about interesting, contemporary topics for future events
- Proactively reaching out to potential speakers and post-event communication
- Organizing the location and equipment needed for a smooth execution of the event

What you Bring with you

- Interest in the organization and planning of a diverse set of events
- Outgoing personality and finding joy in talking in front of an audience
- Ability to work in a team as well as independently to get tasks done
- Sense of responsibility and high ethical standards
- Willingness to become an active member of our association and joining our many events
- Interest in a broad range of topics related to emerging markets
- Availability of approx. 10-15 working hours per week during the semester

What you can Expect from the EMC Team

- An ambitious, mutually supportive team that enjoys working with you throughout the semester
- Open, stimulating atmosphere with exciting academic and social events
